

February 2018

**Would you like to market your food truck to over 100,000 people in one day?**

We invite you to participate in the **25<sup>th</sup> Annual Taste of Marietta Sunday, April 29, 2018 from 11:00am - 7:00pm!** This fun event, an annual favorite of the community, is designed to promote and showcase the restaurants and caterers of Marietta & Cobb County. The festival uses all four sides of the Square and has had great success! You are needed to make this our biggest and best year ever! Enclosed is an application to reserve your space. Due to excessive demand of the festival, a restaurant selection process will be instituted this year. Because past events have been so popular, the fire department is requiring us to limit the number of restaurants participating to assist in crowd control. **Not all applicants will be chosen.**

The food truck registration fee includes:

- 10'x20' space
- Temporary Health Permit to serve in Cobb County
- Promotional materials and inclusion in festival advertising

**Each restaurant is required to give a \$500 deposit check made out to the Marietta Visitors Bureau.** The deposit check will be returned to you as long as the rules and regulations are followed and if your area is clean upon check out.

**PLEASE NOTE: Due to health department requirements, ALL COMPLETED FORMS MUST BE SUBMITTED BY MARCH 23, 2018. Please turn in your application ASAP!! There is limited space.**

We hope to see you at the 25<sup>th</sup> Annual Taste of Marietta!

### ***Festival Rules & Regulations***

The Taste of Marietta festival must comply with the requirements of the City of Marietta Parks & Recreation Department, Marietta Fire Department, and Cobb County Public Health. **Please read these rules and regulations of the festival, sign the last page, and return it with the application, deposit check, and registration fee. Failure to comply with these rules and regulations will result in forfeiture of the \$500 deposit.** The festival will provide ample site management to check vendor set up to avoid possible problems before the festival begins.

We look forward to a safe and successful Taste of Marietta!

*Courtney Spiess* - Restaurant Vendor Information, Onsite Coordination

- **Per requirement of the Cobb County Department of Health:** You **MUST** provide a temporary health permit to serve food in Cobb County prior to the festival. If you do not have a permit to serve in Cobb County, we will file it for you after providing us with the necessary paperwork.
- Festival hours are 11:00 a.m. – 7:00 p.m.; set up time is 6:00 a.m. – 9:00 a.m. Vendors will receive a site layout and tiered check-in time prior to the festival.
- **“Tastes” should range from \$1.00 to \$5.00, as these are the festival’s advertised prices. Tastes should be a small portion of food, not full servings.** We have had complaints from festival-goers saying that the restaurants are all serving large portions for the highest price, and therefore they are unable to eat from all of the vendors they would like. Please consider serving smaller portions for less money. Everyone - including you - will benefit.
- You are allowed to promote your restaurant at your food truck, but you must have a Roaming Advertising Permit - purchased in advanced – to hand out samples/coupons/postcards away from your booth. You may not sell food when roaming, but you may pass out samples. The cost of this permit is \$250 per person. **Vendors violating the Roaming Advertising regulations will immediately forfeit the \$500 deposit.**
- All food vendor sites will be dependent upon the logistical requirements such as electricity, alternating food types, and placement of open grills. Every effort will be made to accommodate special requests, but there will be **no guarantees of site placement.**
- Electricity is NOT included in your registration. You may purchase outlets, but there is a limit to help ensure the safety of everyone at the event. Please see the separate note about electricity in this packet for more information.
- The City of Marietta requires the area around each vendor site be cleaned prior to the restaurant leaving the site, including the concrete/sidewalks around the space. Failure to check out with festival site management will result in forfeiting the \$500 deposit. Each street will have a site check out coordinator who will be responsible for checking you out. Please do not start breaking down your site until 7:00 p.m.

- **Do not pour grease onto street, grass, or in drains.** Grease traps will be located at each entrance to the park on all four (4) sides.
- The City of Marietta Fire Department requires you to have a fire extinguisher in your truck (You must provide your own- it is NOT provided by the Fire Department.).
- Beer, wine, soft drinks, and bottled water will be sold at the concessionaire tents. Restaurant vendors may NOT sell beer, wine, or soft drinks. Water may only be sold if approved in advance and purchased from the water sponsor. The water may not be sold at a rate different from that set by the concessionaire. Vendors may sell other beverages such as iced tea and fruit punch. NO hard liquor of any kind will be allowed. Additionally, select restaurants located on the Marietta Square that have obtained the proper licensing as permitted by the ordinance will be selling beer. We apologize if this results in any inconvenience for our restaurants, but it is the law and must be obeyed.
- All food items and beverages must be approved by Marietta Visitors Bureau prior to the festival.
- **NO** additional trailers for food service are permitted, unless otherwise approved by the Marietta Visitors Bureau.
- Restaurants must provide their own extension cords and cleaning supplies.

***A note about electricity....***

**Very important!! Please read thoroughly.  
If you do not understand, ask questions!**

The City of Marietta is happy to be able to provide electricity for the Taste of Marietta. However, because of limitations and to ensure the safety of the festival the following regulations will be strictly enforced this year. **You MUST make sure your equipment follows these requirements in advance because there will be no exceptions made the day of the festival.**

**Please note the following:**

- All power is ground fault protected and **will not be bypassed.**
- **Each duplex outlet (\$50, 2 outlets max) is on a 20 amp circuit. That means if you have 2 outlets,** you have a total of two 20 amp circuits, which will allow you to plug in 4 cords.
- **Each duplex outlet can have a MAX of 20 amps. That means two cords plugged into one duplex outlet cannot draw more than 20 amps combined.**

***If you fail to check your equipment in advance and it pulls more than 20 amps or continues to trip the circuit, you will not be able to use it at the festival!***

- If bringing a power strip, the items plugged into the strip cannot exceed 20 amps combined.
- All extension cords must be 12 gage or higher. Nothing smaller than 12 gage will be allowed. Please make sure you bring an extension cord(s) with ample length to connect to your tent.
- Generators are allowed for Food Trucks if they are quiet and do not become disruptive to the festival.

Please understand we are enforcing these rules to ensure the safety of our food vendors and festival attendees. We thank you for your corporation!
